

**Le Regard Sonore** is an independent company specializing in the creation and production of original animation and edutainment programs for youth, created in 2001 by author, director and composer Emmanuelle Reyss, and joined by Louise Cordier partner in 2024.

In addition to this strong pedagogical component, the editorial line of **Le Regard Sonore** is based on the imaginary, the openness to others and to the world, with series dedicated to the discovery of countries, animals, cultures. And, to remain faithful to its origins, music !

# Alma and the ice shadows

A fabulous story from the collection  
story time!

In the Bay of Fundy, Canada, mysterious rocks line the cliffs. They look like giants facing the ocean. Nobody knows the secret of these strange guardians and yet, they could talk, they would tell a fabulous story.... It all begins when Alma follows Azimut, the little Puffin, in a mysterious cave, hidden in the cliff ....

Oh ! The crocodiles  
Old ma Michel  
By the lovely moonlight  
Are you sleeping, Brother John ?  
The fox, the weasel and the wolf  
A hen on a wall  
A spider knits a pair of socks  
Let's go and walk one mile  
Little skylark  
Sweet Poppy  
The big deer  
Watchmen in the castle  
*and many others...*

## Childhood Songs

Every Child knows nursery rhymes... All these songs were composed a long time ago. You might find them a bit old-fashioned, yet children today know them just as we did when we were their age. These nursery rhymes are timeless !

PRESCHOOLERS • 50 X 3'30 • 2D ANIMATION

[WATCH THE TEASER](#) • WORLDWIDE DISTRIBUTION : LE REGARD SONORE

## Sing-along Stories

For Sing-along Stories, we wanted to create animations with simple graphics, to reflect the poetic and naive vision of very small children. The rhymes and rhythms are in large part what make this series so entertaining. The themes allow children to discover and dream of worlds both familiar and unfamiliar, such as Christmas in China or in Russia.
